

# List of postal codes of Canada: M

This is a list of postal codes in Canada where the first letter is M. Postal codes beginning with M (except MoR and M7R) are located within the city of Toronto in the province of Ontario. Only the first three characters are listed, corresponding to the Forward Sortation Area.

Canada Post provides a free postal code look-up tool on its website,<sup>[1]</sup> via its applications for such smartphones as the iPhone and BlackBerry,<sup>[2]</sup> and sells hard-copy directories and CD-ROMs. Many vendors also sell validation tools, which allow customers to properly match addresses and postal codes. Hard-copy directories can also be consulted in all post offices, and some libraries.

## Toronto - 103 FSAs

Note: There are no rural FSAs in Toronto, hence no postal codes should start with Mo. However, a handful of individual special-purpose codes in the MoR FSA are assigned to "Gateway Commercial Returns, 4567 Dixie Rd, Mississauga" as a merchandise returns label for freepost returns to high-volume vendors such as Amazon and the Shopping Channel.<sup>[3]</sup>
